PROFESSIONAL SUMMARY

Results-driven MCA graduate with strong skills in Java, Python, and Data Analysis. Experienced in developing applications, analyzing datasets, and applying structured problem-solving approaches. Hands-on experience in web application development, database integration, and data visualization. A proactive team player with a strong learning mindset, seeking an opportunity to contribute technical and analytical expertise to Deloitte's client-focused projects.

TECHNICAL SKILLS

Programming Languages: C, Python, Java

Web Technologies: HTML5, CSS3, JavaScript

Frameworks & Tools: Spring Boot, Bootstrap, Power BI

Databases: MySQL

Operating Systems: Linux, Windows

Development Tools: VS Code, Eclipse, XAMPP, Jupyter Notebook

INTERNSHIP EXPERIENCE

Canara Tech Labs Private Limited – Sprentzo Web Application

- Designed and developed responsive web applications using HTML, CSS, JavaScript, and Spring Boot.
- Analyzed requirements and implemented scalable solutions.
- Participated in development, testing, and maintenance phases of the application lifecycle.

The Sparks Foundation – Payment Gateway Project

- Developed a payment gateway system following standard development practices.
- Implemented frontend components using HTML, CSS, and Bootstrap.
- Ensured application reliability through testing and validation.

PROJECTS

Food Exploria – Food Ordering and Delivery Management System

- Developed a full-stack web application with a focus on usability and performance.
- Implemented database-driven features using MySQL.

Mobile Shopping Website – E-commerce Application

- Designed and developed an e-commerce platform with secure order processing.
- Focused on maintainability and user experience.

Weather Data Analysis

- Analyzed weather datasets using Python.
- Performed clustering and data visualization using Python libraries.

CERTIFICATIONS

Complete Python Bootcamp – Udemy

C for Everyone: Programming Fundamentals – Coursera

Microsoft AI Classroom Series – Participation Certificate

EDUCATION

MCA – Rajarajeswari College of Engineering, Bengaluru (2024–2026) | CGPA: 8.6

BCA – Smt Indira Gandhi Govt Women's College (2021–2024) | CGPA: 8.8

II PUC – Varasiddhivinayaka PU College | 83%

SSLC – Shri Ramakrishna Vidyalaya | 87%
